

Celebrate Festival — Progress Report

Period: April 1 – April 14, 2026 | Prepared by Hiraya Digital

Completed DONE

Bug Fixes

- Added "SKU:" label before the SKU on every product page
- Fixed variant selector — unavailable combinations now strikethrough
- Removed duplicate "Member" label on product page
- Financing modal updated to match Radiance Capital Leasing PDF

New Pages & Features

- Built the **Journey page** (7-step customer journey — Design, Consult, Pricing, Delivery, Installation, Inspection, Grand Opening)
- Generated 7 custom photorealistic images for the Journey page using AI
- Built the **Resources page** (new content hub)
- Built the **Hashtag Member Portal** — exclusive gated portal for Hashtag-tagged customers with 2 collections (same model as CPH)
- Added **Inventory Status Box** on every product page (In Stock / Ships in 1 Business Day or Typically Ships in 4–8 Business Days — updates live as customer switches variants)

Homepage Sections HIDDEN — READY

- Journey Promo Banner** — links to /pages/journey
- Category Icon Row** — editable icon strip (Nishi Enterprise style)

Currently In Progress IN PROGRESS

- Footer Resources hub** — structured content library (WebstaurantStore style)
- Mini-cart shipping estimator** — enter ZIP to preview shipping cost
- \$0-price handling on collection grids** — hide price (not product) when price is zero

SEO & Front-End Performance

Source: Google Analytics 4. Post-launch window normalised to 2.5 months.

+126% more organic purchases

Before: 6.2/month → After: 14/month

Visitors are far more engaged on the new site
